

# Clover Go

## Take your business everywhere

Run your business wherever your customers are with the Clover® Go mobile point-of-sale system. Clover Go lets your customers pay the way they want to – and enables you to track your sales in real-time, from anywhere.

### Never miss a sale

Accept all major credit and debit cards, contactless payments, checks and cash with your mobile device – with or without an internet connection.

### Enjoy more flexibility

Run your business and track your sales in real-time from anywhere.

### Be safe and secure

Control access with roles and permissions, fingerprint login and two-factor authentication. All transactions are encrypted to help protect your customers' data and your business.

Clover Go consists of a free app and an optional reader and dock that connects to the Clover Go app on your mobile device.\*

**Clover Go app** – Allows you to securely accept payments, track sales, and run your business on your iOS or Android mobile devices.

**Clover Go reader** – Add this portable reader for insert or contactless payments with NFC-chip-enabled cards and mobile wallets, such as Apple Pay® and Google Pay®. The Clover Go reader is small and lightweight, measuring 3.17" x 2.21" x 0.46" and weighing 2.3oz.

**Clover Go Dock** – Mount your Go reader to the new Clover Go Dock to accept card payments securely and conveniently on the countertop. This device measures 3.5" x 3.2" x 1.5" and weighs 7.5oz.

\*A Clover merchant account is required to use Clover Go. Don't have a Clover merchant account? Contact your Clover Business Consultant.

### Accept payments anywhere

Take payments anywhere with your mobile device and an optional compact Go reader and Go Dock.

### Tap-to-Pay on iPhone

Accept in-person, contactless payments using built-in features of your iPhone running the Clover Go app. It's easy, secure and private – and convenient for your customers.

### Sync with your Clover Dashboard and Go devices

Stay on top of your business from anywhere, with everything synced to your Clover Dashboard.

### View all transactions in the Clover Go app

See your entire transaction history – including open, pending and completed transactions – whether they're generated from your Clover Go on your mobile devices, Clover Go reader or another Clover device.
